

This form is used to supply company information for inclusion on the Alabama Site Selection Database at www.edpa.org. The database contains information about properties and communities throughout the state and is used by state-level project managers, site consultants, and companies interested in locating in Alabama.

Please complete as much information as possible in order to give your company the greatest exposure in searches conducted on the database.

NOTE: Fields marked with an asterisk (*) are required fields. This information must be provided in order to submit for inclusion on database.
