This form is used to supply site information for inclusion on the Alabama Site Selection Database at www.edpa.org. The database contains information on properties throughout the state and is used by state-level project managers, site consultants, and companies interested in locating in Alabama. Sites listed on the database must be 20 acres or larger (smaller, if within an established park). In addition, local economic development offices must be provided evidence that the property owner is willing to sell/lease for industrial purposes and the stated price/terms of the sale/lease must be clear. Please return complete application and supporting materials to the local economic development office or Economic Development Partnership of Alabama, 500 Beacon Parkway West, Birmingham, AL 35209.
